

# TOKSAVE

Dear Parents

Thank you to nearly all families who ensure that their child arrives at school on time and is picked up on time. It is very important for your child's learning and wellbeing that they are supported to be punctual, make the most of their learning time and are not embarrassed by disrupting their class due to late arrival.

It is also important that children are picked up on time when Kindy finishes at 12:15pm and school finishes at 2:45pm. This is important for your child's safety and to ensure teachers are able to get to after school meetings on time.

I understand the roads on which some families travel to school on are not in best condition at the moment; however, if you are going to be late please make a phone call so that your child knows where you are and that you are on your way to pick them up.

## Year Six and Seven Assembly

Friday's year six and seven assembly focused on our school's You Can Do It! positive psychology program, the importance of leadership and the responsibility we all have to be accountable for our actions.

The upper primary brought this to life by planning and performing short plays to give examples of school yard dilemmas and how these can be overcome by students making correct choices and showing strong leadership.

Congratulations to the year six and seven students on their outstanding assembly.

Tomorrow's assembly will be run by the year five class who will be taking us on a world tour. We look forward to seeing many parents, grandparents and wantoks at tomorrow's assembly.
