

# TOKSAVE

Dear Parents

Today I have informed NML Human Resources Manager, Ron Ross, of my resignation from Lihir International Primary School.

I will continue as principal until the end of this term and then complete the facilitation of July teacher professional development before returning to Adelaide.

The process to employ a new principal has already begun and I will keep you up to date with any progress.

### Assembly

Congratulations to all students who were presented with their SRC badge at last Friday's assembly.

These students have been voted as class leaders by their peers and I am sure they will all represent their classes extremely well as they take responsibility for our school's "Student Voice" with guidance from Mrs King.

Tomorrow's assembly will be presented by our year three and four students who have worked hard on their assembly rehearsal throughout the week.

We look forward to seeing many people in attendance.
