

# TOKSAVE

Dear Parents

Our school's Education Queensland International Audit will take place from Monday 23<sup>rd</sup> to Friday 27<sup>th</sup> of May. Two auditors will travel to Lihir and review our school during week seven of this term.

In order to collect parent opinion data there is an online 2016 Parent Survey and this survey is located at <https://websurvey.eq.edu.au/efm/se.ashx?s=0B87A62B32DD31DF>

It will be beneficial to Lihir International Primary School if as many parents as possible take part in this survey. The information you provide will help us establish how the school is going, what we need to be aware of in order to improve and the things that are currently working well.

There will be a similar style of survey for teachers and another for students to ensure we can capture a deep and wide pool of information to support this audit.

If you do not have internet access you are able to request a paper based copy of this survey from Rose in the front office.

Please do not hesitate to contact me if you have any questions regarding this survey.

## Assembly

All in attendance at last Friday's assembly were treated to a terrific example of *Readers' Theatre* by our year three and four students.

The story line focused on the You Can Do It! key of organisation and illustrated to all students how improved organisation can help us be successful at home and at school.

Well done to Miss Thomas, Mrs Pesas and the year threes and fours.

The year two class have been working on their assembly performance throughout this week and they look forward to seeing many people in attendance Friday morning.

**Congratulations Week Two  
Principal Award Winners**

**Paulette Tadoi – Year Five**

**Ben Romaso – Year One**

**Annalisa Daimol – Year Two**

**Tom Patterson-Kane – Kindy**

**Oliver Napier – Year Three**

**Blaise Pong – Year Six**

### **Athletics Coach**

Next week's planned visit by our school's athletics coach, Mick Hooper, has been postponed until Monday 23<sup>rd</sup> of May due to the current NML Shutdown.

This will be Mick's sixth visit to Lihir and his program will enable all students to improve their athletics skills and prepare for the Athletics Carnival on Wednesday 15<sup>th</sup> of June.

### **School Meetings**

The next Parents and Wantoks meeting will be held in the staffroom from 6:30pm next Tuesday and School Council will meet on Thursday from 7pm.

### **Newcrest Mine Safety Week Poster Winner**

During first term students from Lihir International Primary school entered a Safety Poster Competition as part of National Mine Safety Week.

This competition was open to all primary school students on Lihir and Ron Membup's poster entry was judged the best poster from all primary school students on Lihir.

Congratulation Ron – you entered an amazing poster and you are a deserving winner of this competition.

Ron, pictured right with competition coordinator Emmanuel William, won a new bike and K1000 of stationery. Ron, in consultation with Student Council, has decided that this K1000 of stationery will be donated to a local Lihirian primary school.

Well done Ron!

### **Friday Afternoon Sport**

There will be no hockey or basketball this Friday due to the adults running these programs being away.

Basketball will resume Friday of week four and I am currently unsure of a resumption date for Hockey.

### **ANZAC Day Dawn Service**

Congratulations to the year seven students involved in Monday morning's ANZAC Day Dawn Service.

I have received many positive comments from community members regarding what a fantastic job these students did with ANZAC readings, wreath laying and flag raising.

Well done Clay, Hayley, Clinton, Elijah and Ron; you were excellent ambassadors for our school.

I will be away from today (Thursday) until next Tuesday. During my absence Mr King will be the principal.

If you have any questions or suggestions regarding Lihir International Primary School please give me a buzz or make a time to come in for a chat.

Kind regards

*Michael*
