

# TOKSAVE

Dear Parents / Guardians,

This week our Year 8 students completed their National exams. They have been working hard in readiness for these exams and we know that they have done their very best. We thank Mr McKeiver and the Work Ready teachers for all their effort with preparing the students.

## **Rugby League Clinics and Gala Day**

On Friday the 15<sup>th</sup> November, we are having a guest coach come to the school to hold Rugby League Clinics for students from Prep to Year 8. Permission notes will be sent home with students to allow students to participate in these clinics. Following this, students up to the age of 15 from Years 5 – 8 will have the opportunity to participate in a Gala Day with other schools from around the island. The Gala Day will be held on Saturday, the 16<sup>th</sup> November. Please see a brief Rugby League biography of our guest coach attached to this Toksave.

## CONGRATULATIONS TO OUR TERM 4 WEEK 2 PRINCIPAL'S AWARD RECIPIENTS!

**Year 5: Jamilia Misren**

**Year 3: Trent Bagla**

**Saturday:** STEM Club (Makers Empire) with Ms Langusch: Years 4-8, 9.00-10.15am

### **New Carpark**

The school now has a new car park located at the Aginas Field. This carpark is to be used for all pick up and drop offs. The car park at the front of the school is now closed. Students who walk or ride home to Townsite can still use the front entrance. **Pick up time is between 3.00pm and 3.15pm.** Students who have not been picked up by 3.15pm will move to the undercover area to wait. Parents who are late will need to come into the school to collect them.

### **Congratulations to our Prep class for their assembly item!**

### **Curriculum news: Moderation (Ms Langusch)**

Staff at LIPS regularly participate in formal and informal conversations with other staff members about the grading of student evidence using the 5-point scale from 'A – E' in years 3 – 8 and from 'Applying to Becoming Aware' in Prep – year 2. This helps reinforce quality assessment processes and reporting. Another activity we participate in each semester is inter-school moderation with the Australian International School, Goroka.

This term, we are moderating numeracy tasks, where we send samples of student work that we have marked for their teachers to give feedback on and we give feedback on their student samples. This is another way we can ensure that our students are achieving results that are aligned to the curriculum and reporting standards.

*Regards*
